The copyright was incorrectly assigned to the American Astronomical Society. It should have read "© 2001. Joseph Harrington. Printed in U.S.A." The accepted date for the paper should read 2001 April 17.

A reference to Jessup (2000) was omitted from the final line of Table 2. Also, the abbreviation for "mass-velocity distribution" should have been given as "MVD."

The Press sincerely apologizes for these errors.
